Objective: Looking for a career in Web development, New Media and Software Development field
Available as soon as possible!

Education: **Rochester Institute of Technology**, Rochester, NY
BS New Media Interactive Development May 2014
GPA: 3.125
- Dean's List Winter 2010

Suffolk County Community College, Riverhead, New York
Computer Graphics, June 2010
GPA: 3.7
- Dean's list: Fall 2008, Spring 2009, Spring 2010; Pi Alpha Sigma; Phi Theta Kappa

Projects:

- For my capstone project, Savory, in RIT my team applied PHP, Larvel, MVC frameworks and GRUNT to create a webapp using RFID Technology.
- Have created multiple websites using PHP, HTML5, CSS JavaScript / JQuery and SQL as a team and on my own for Arizona company BX3 (www.bx3.com):
  - Dynatex International: http://www.dynatex.com/
  - Nocturnal Design: http://www.nocturnaldesign.com/
  - Many other websites and projects

- Currently working at Parkeon, maintaining, updating and creating a backend application with a small team of developers. We develop API's that interact with a unique frontend experience that we also develop in house.

- Worked for D3Corp on many of their websites, editing/maintaining projects and redoing SEO for many, as well as creating my own websites from the ground up:

  - https://thefitnessconnection.com/
  - https://wocowarriors.org/

Skills: Programming Languages: C#, ActionScript 3.0, PHP, HTML, SQL, XML, Python, CSS, LESS, SASS, JS, Jquery, Java
Operating Systems: Windows 10/8.1/8/7/XP, Mac OSX, Ubuntu
Development Software: Visual Studio, Unity, Flash, Photoshop/Illustrator, Maya, Intellij IDEA
Other: Able to perform and learn most programming techniques productively.
I work well with other people and can communicate effectively.

Experience: **CyberMark of Arizona,** 2222 W Parkside Ln #116, Phoenix, AZ 85027
Web Developer; 10/2014-12/2014
BX3 Interactive, 4835 E Cactus Rd Ste 100 Scottsdale, AZ 85254
Web Developer; 2/2015 - 8/2016
D3Corp, 12319 Ocean Gateway #202, Ocean City, MD 21842
Web Developer; 9/2016-9/2017
Parkeon/Flowbird International, 40 Twosome Dr, Moorestown, NJ 08057
Software Engineer; 12/2017-Present

Activities: Interests include all forms of media, traveling and experiencing new things.
Able to play the guitar, sing, draw and write stories.
